B. Part A, Section 1.2.2 - Experience Form, Item A. Relevant Firm Experience:

Add the bold, italicized text:

A minimum of five (5) completed representative projects that demonstrate the Bidder's experience in all the following areas: ***Experience shall be that of the prime unless otherwise specified below:***

- a. Welding and testing of large-scale HDPE geomembrane liner systems (***subcontractor experience will be accepted***)

- b. Large scale excavation and hauling operations
- c. Construction of large-scale drainage collection systems
- d. Large scale compaction and geotechnical testing operations and daily reporting.
- e. Large scale surveying and as-built documentation operations
- f. Construction of a minimum of one (1) landfill cell that ties into other existing landfill cells with liner systems***

Experience of subcontractors may not be used as experience of the prime, unless specified above. The County shall accept experience of subcontractor only in those areas specified above.

C. Part B, Section 1.6 – LIQUIDATED DAMAGES

Delete the strikethrough text and add the bold, italicized text:

The amount of liquidated damages shall not exceed ~~\$500 per day~~ ***\$5,000 per day.***

D. Part B, Section 5.1.2 - Contingency Bid Item B1: Excavation and Offsite Disposal (Addendum #1)

Add the bold, italicized text to Item 1:

- 1) Work in this Item includes excavation required to meet the grades shown in the Contract Drawings and hauling excavated materials offsite. This work item includes all excavation required to construct roads, permanent drainage swales and perimeter ditches (along both sides of the perimeter access road). This Item includes all labor, equipment, and materials to excavate, load, haul, and dispose of all excavated materials offsite. ***For bidding purposes, bidders shall assume full responsibility for the disposal and stockpiling of all materials either offsite and/or onsite. The County will not provide any labor or equipment to assist with this effort.***

*****END OF ADDENDUM*****
